SIDE VIEW

\* Changed as of 6/1/05

Stairs with two (2) or more risers shall have railings on all open sides.

4 x 4 posts must be used at the start of railings, the end of railings and any turn for railings.

The greatest riser height within any flight of stairs shall not exceed the smallest by more than 3/8 inch.

There shall be a floor or landing at the top and bottom of each stairway. The size of the landing shall not be less than the stairway or door served. Every landing shall have a minimum dimension of 36 inches measured in the direction of travel.
